No I cant seem to have forgot anything. What is it

Il y a quelques jours, j'ai écrit un article sur la sécurité des données. J'ai parlé de la façon dont les données sont collectées, stockées et utilisées. J'ai aussi parlé de la façon dont les données peuvent être compromises. J'ai dit que je ne pouvais pas me souvenir de tout ce que j'ai écrit. J'ai dit que j'étais sûr que j'avais écrit quelque chose de très important. J'ai dit que j'étais sûr que j'avais écrit quelque chose de très important. J'ai dit que j'étais sûr que j'avais écrit quelque chose de très important.

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for the ageing population, which sets out the government's commitment to improve the health and social care of older people. The strategy is based on the following principles: (1) to improve the health and social care of older people; (2) to ensure that older people are able to live independently; (3) to ensure that older people are able to participate in society; and (4) to ensure that older people are able to live in their own homes.
